

## RESUME FOR ELECTION OF DIRECTORS TO ASHI-GLC

NAME: Eric Barker

CITY OF RESIDENCE: Lake Barrington, IL

INSPECTING HOMES SINCE: 1993

ASHI MEMBER SINCE: 1995

GLC MEMBER SINCE: 1994

EDUCATION / PREVIOUS WORK EXPERIENCE: A.A. degree Lincoln College 1973

B.S. degree in Bus. Admin. Illinois Wesleyan U. in 1976

Worked for Dun & Bradstreet trade magazine publisher

GLC PARTICIPATION: On short lived website committee. I attend 2-3

GLC conferences each year.

ASHI INTERNATIONAL PARTICIPATION: None. I do however try to attend

BOD meetings when at I.W. or when in Chicago area.

WHAT I LIKE MOST ABOUT THE GLC: The caliber of members and education.

I have found the leadership to be forward thinking and creative.

GLC conferences & members are a welcomed break from the "gocfiness"

found in the field

WHAT I LIKE MOST ABOUT ASHI: Being somewhat familiar with the staff in

Des Plaines I have found them to be top drawer. As a whole, the

BODs also have a clear thinking agenda.

AS A MEMBER OF THE BOARD OF DIRECTORS I FEEL I CAN BEST SERVE ASHI-GLC BY:

I am a very detailed person, and when given a project I see it

through and cover the "bases" as thoroughly as I can. I am good

in communicating with people and working in a team environment.

IN GENERAL, I WOULD LIKE TO SEE ASHI INTERNATIONAL ACCOMPLISH THE FOLLOWING:

An area of particular interest to me is the lack of integrity

that is in real estate fields. While I do not think that ASHI

can change this, they can offer an alternative that could be

more widely promoted.
